

Sample Pollination Agreement

This agreement is made _____ (date) between _____, (grower's name) hereinafter called the grower and _____, (beekeeper's name) hereinafter called the beekeeper.

1. **TERM OF AGREEMENT.** The term of this agreement shall be for the _____ (year) growing season.
2. **RESPONSIBILITIES OF THE BEEKEEPER**

a. The beekeeper shall supply the grower with _____ hives (colonies) of bees to be delivered to _____ (name of orchard/farm/field.) as follows: (Fill in the appropriate line(s) and cross out those that do not apply).

Approximate date: _____ days after written notice from the grower.

Time in relation of amount of crop bloom: _____

Description of location(s): _____

b. (If additional space is needed, attach separate sheet dated and signed by both parties.) The beekeeper shall locate said bees in accordance with directions of the grower, or, if none are given, according to his or her judgment so as to provide maximum pollination coverage.

c. The beekeeper agrees to provide colonies of the following minimum standards: A laying queen with the following:

- Frames with brood with bees to cover
- Pounds of honey stores or other food
- Story hives.

d. The grower shall be entitled to inspect, or cause to be inspected, each colony of bees after giving reasonable notice to the beekeeper of this intent.

e. The beekeeper agrees to maintain the bees in proper pollinating conditions by judicious inspection and supering or honey removal as needed.

f. The beekeeper agrees to leave the bees on the crop until either: (Fill in the appropriate line or lines and cross out those that do not apply) approximate date: _____ days after written notice from the grower; or an agreed-upon period of time, duration specified here: _____ after an agreed-upon percent of the crop has bloomed, percent specified here: _____

g. Beekeeper is not responsible, and, as a condition of this agreement, will be held harmless for inherent risk of bee stings to people, animals, or livestock.

h. Beekeeper shall/shall not (circle which applies) have the right to harvest bees and/or bee brood from colonies while they are under this contract. In no case shall beekeeper remove more than 25% of the bees and/or brood.

3. RESPONSIBILITIES OF THE GROWER

a. Grower will provide a suitable place to locate hives. The site must be accessible to beekeeper's vehicles. Grower will allow beekeeper entry whenever necessary to service the bees, and grower assumes full responsibility for all loss and damage to fields or crops resulting from the use of vehicles over agreed routes in servicing bees.

b. If the grower places beekeeper's colonies on the crop, grower assumes full responsibility for all loss and damage to colonies resulting from moving colonies to the crop (see section 3d).

c. Grower will follow all pesticide labels according to the law. Grower will not apply pesticides that are labeled as toxic to bees to the crop while the bees are being used as pollinators, nor immediately before their arrival if residual applications are toxic. The following agriculture chemicals and methods of application are mutually agreeable while bees are on the crop:

d. Grower will notify beekeeper 24 to 48 hours in advance if hazardous materials not listed above will be used on the crop being serviced or on adjacent crops, buffers, or edgerows.

e. Grower will compensate beekeeper in full for hives destroyed or severely weakened by pesticides or other action by the grower at a rate per hive to be determined by arbitration (see section 5), or, if loss is undisputed, beekeeper will be compensated by grower at the rate of _____ per hive.

f. Grower will pay for pollination services of _____ hives of bees at the rate of _____ per hive. Payment will be made to the beekeeper as follows: _____ per hive on delivery and the balance on or before _____ (date).

g. Additional moves will cost grower _____ per hive per move.

h. Grower will provide adequate sources of water for the bees if none is within ½ mile (0.8 km) of each apiary.

As a condition of this agreement, grower agrees to hold beekeeper harmless from any and all claims of injury or damage to person or property which might arise from beekeeper's performance of this agreement between beekeeper's placement and removal of hives from grower's fields or orchards.

4. **PERFORMANCE.** Either party will be excused from obligations of this contract if, before delivery of hives, performance is prevented by events beyond their control. Notification will be given to the other party as soon as reasonably possible.

5. **ARBITRATION.** If any controversy arises between parties, it will be settled by arbitration. Each party, within 10 days, will appoint one arbitrator, and the two arbitrators will select a third, and the decision of any two arbitrators will be binding on the parties. Cost of arbitration will be divided equally between the two parties.
